

Well-known DOCJT Instructor Passes

Scottie Saltsman

DUI Enforcement Section Supervisor Scottie Saltsman, 44, passed away June 9, 2013. He was a graduate of Eastern Kentucky University and worked for the Kentucky Department of Criminal Justice in Richmond, Kentucky.

Scottie began work at DOCJT as an instructor in April 1999 in the Physical Training Section after leaving the Eastern Kentucky University Police Department. He also served in the Knowledge and Evaluation Sections as a class coordinator. He transferred to the General Studies Section and subsequently was promoted to Supervisor in 2006. He became the DUI Enforcement Section Supervisor in 2011.

While moving up through the ranks at DOCJT, he never stopped learning, striving for the best from himself, his fellow employees and the recruits he taught. In 2004, Scottie completed the Certified Public Manager's program. He received his Master's Degree in 2009. While completion of those two programs involved a great deal of work, he knew the importance of always trying to gain more information to help those he instructed.

Expressions of sympathy may be made to the Kentucky Law Enforcement Memorial Fund at www.klemf.org.
